About Us

Fleet Power Limited is one of the fastest-growing reputed electrical manufacturer company in Bangladesh. Fleet Power has been manufacturing & supplying electrical and lighting equipment for both domestic and industrial use and it's running business successfully. Fleet Power is operating their business based on corporate and prior customer (B2B). This organization has devoted research and development unit and also has highly efficient, environment friendly products solutions.

Our Vision

To be one of the leading electrical solutions companies – LOCALLY AND GLOBALLY.

Our Mission

To provide innovative quality electrical products and solutions with customer's trust and satisfaction.

Values:

Innovation, Solutions, Quality and Commitment, Trust, Satisfaction & Leadership

Our Concern

How We Can Help You Achieve Your Business Goal

Fleet Power has firmly established itself as a pioneering force in the realm of industrial lighting solutions for both commercial and office settings. With a decade-long legacy of excellence in this field, we are dedicated to delivering top-notch products and services. Our youthful team members possess an unwavering commitment to quality, as well as a fresh perspective and innovative ideas that infuse every project with energy and ingenuity.

Our customer support is unparalleled, as we strive to exceed expectations and ensure that our clients are fully satisfied with their experience. We leverage the latest technologies and techniques, combined with our extensive knowledge and expertise, to provide the most effective and efficient lighting solutions for our clients. With Fleet Power at the helm, you can trust us to illuminate your workplace and elevate your business to new levels of productivity and success.

Chairman, MD. Khairul Alam

LED TUBE LIGHT

Tube light is a light seems like a long tube. It gives white light. Though energy saving lights and LED lights have taken its place on a large scale, it has not lost its appeal. Some people still seek for tube lights for brighter lights.

A simple place can be turned into a paradise with the help of tube lights. As a result of the tough work of some lightning scientists, we can now enjoy the lights of various tube lights in our home or office or other places.

TECHNICAL SPECIFICATION

Model : T8, T5
Watts : 5W, 10W, 18W, 20W, 22W, 24W, 26W, 28W
LED Type : SMD
Voltage : AC 100~265V, 50/60Hz
Luminous Flux : 130lm/W
Service Life : 56000Hours
Color Temperature :White/Warm/4000K
Power factor : >0.97
CCT : 2700-6500K
CRI : >80ra
Lumen Maintenance : 98% Up to 10,000 Hours
Driver : Isolated/ Non Isolated
Beam Angle : 120°
LED Chips Brand : Sanan/Epistar
LED Driver Brand : Fleet/Mean Well
Materials : PC+Aluminum
Certification : CE, RoHS, EMC
Warranty : 2 Years, 3 Years

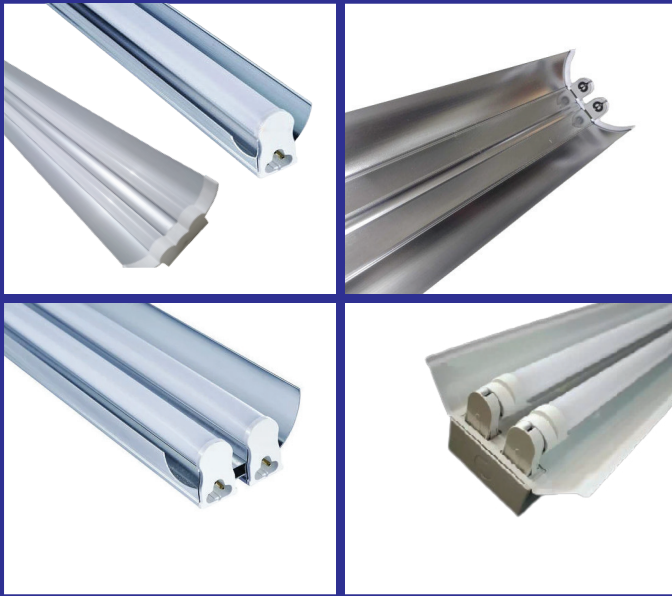

APPLICATION:

Used in industry, office, warehouse, workshop, school, hospital, commercial lighting, home lighting.

LED INDUSTRIAL TUBE LIGHT FIXTURE

Lighting for business is complex. There's a lot that goes into finding the right solution that will give your operations an edge over the competition and future-proof your facilities. Organizations of all types are discovering the value of LED light fixtures that last longer and drive down costs.

TECHNICAL SPECIFICATION

Model : T8, T5
Watts : 10W, 18W, 20W, 22W, 24W, 26W, 28W
LED Type : SMD
Voltage : AC 100~265V, 50/60Hz
Luminous Flux : 130lm/W
Service Life : 56000Hours
Color Temperature : White/Warm/4000K
Power factor : >0.97
CCT : 2700-6500K
CRI : >80ra
Lumen Maintenance : 98% Up to 10,000 Hours
Driver : Isolated/ Non Isolated
Beam Angle : 120°
LED Chips Brand : Sanan/Epistar
LED Driver Brand : Fleet/Mean Well
Materials : PC+Aluminum, Powder Coated/SS
Certification : CE, RoHS, EMC
Warranty : 2 Years, 3 Years

APPLICATION

Easy to install, Replaceable Light Source Use in Office, Factory, Warehouse, Industry.

LED BULB

Light bulb is marked as one of the most important invention in the history. The old days where you had filament bulbs to help light up your house, office, or any hospitality environment is now long gone thanks to LED light in Bangladesh.

You don't have to worry about the dim light and the heat that the filament bulbs use to give. With LED lights you will have no such issues rather, more light with no heat. Not to forget that LED lights are your wallet saviors as the save your utility bills.

TECHNICAL SPECIFICATION

Model	: LED Bulb
Available Watts	: 3, 5, 7, 9, 12, 15, 18, 20, 30, 50, 80, 100
Voltage	: AC 100~265V, 50/60Hz
Luminous Flux	: 130lm/W
Life Time	: 50000Hrs
Color Temperature	: White/Warm/4000k
Power factor	: >0.97 / 0.60
CCT	: 2700-6500K
IP Rating	: IP20/IP54
CRI	: >80ra
Lumen Maintenance	: 98% Up to 10,000 Hours
Driver	: Isolated
Beam Angle	: 270°
Working Temperature	: 30~55°C
Storage Temperature	: 45~85°C
LED Chips Brand	: Sanan/Epiaster
LED Driver Brand	: fleet/Mean Well
Materials	: Aluminium + PC
Origin	: China/Taiwan
Certification	: CE, RoHS, UL, EMC

APPLICATION

Used in office, warehouse, workshop, school, hospital, commercial lighting

LED PANEL LIGHT

We are engaged in providing top quality Down Lights. These are EDGElit panels and are Manufactured using superior grade raw material and latest technology under the supervision of experienced professionals.

Slim Panel Led Down Lights adopt SMD power led as light source. It can exchange heat rapidly into atmosphere. This technology can help to lower temperature of the spot light; reduce the decay of LED, and improve the lifetime of the lamps (life span >56,000 hours).

TECHNICAL SPECIFICATION

Model	: LED Panel Light
Watts	: 6W, 9W, 12W, 18W, 24W, 36W, 40W, 48W
Voltage	: AC 100~265V, 50/60Hz
Luminous Flux	: 100 - 120 lm/W
Service Life	: 56000Hrs
Color Temperature	: White/Natural White/Warm
Power factor	: >0.97
CCT	: 2700-6500K
IP	: IP20/54
CRI	: >80ra
Lumen Maintenance	: 98% Up to 10,000 Hours
Driver	: Isolated/Non Isolated
Beam Angle	: 120°
Working Temperature	: 30~55°C
Storage Temperature	: 45~85°C
LED Chips Brand	: Sanan/Epistar
LED Driver Brand	: fleet/ Mean Well
Materials	: PC+Aluminum
Origin	: China/Taiwan/USA
Certification	: CE, RoHS, UL, EMC

APPLICATION

used in office, warehouse, workshop, school, hospital, commercial lighting, home lighting.

LED FLOOD LIGHT

Our high-powered LED flood lights are an ideal solution for brightening large outdoor spaces and enhancing visibility. Quality-tested and built to last, our LED flood lights are constructed for a variety of outdoor applications, including sign lighting, building facades, landscape lighting, and general area lighting.

Mount the flood lights on any surface with the adjustable mounting brackets, allowing you to aim light output with precision. Easy to install, more energy-efficient, and longer lasting than traditional flood lights.

TECHNICAL SPECIFICATION

Model	: Flood Light
Watts	: 10W-1000W
LED Type	: SMD/COB
Voltage	: AC 85-350V, 50/60Hz
Luminous Flux	: 110-140lm/W
Service Life	: 56000Hours
Color Temperature	: White/Warm/4000K
Power factor	: >0.97
CCT	: 2700-6500K
CRI	: >80ra
Lumen Maintenance	: 98% Up to 10,000 Hours
Driver	: Isolated/ Non Isolated
Surge Protection	: 6KV-20KV
Beam Angle	: 45°-150°
LED Chips Brand	: Sanan/Epistar/Bridgelux
LED Driver Brand	: Fleet/Mean Well
Materials	: PC+Aluminum, Powder Coated/SS
Certification	: CE, RoHS, UL, EMC
Warranty	: 2 Years, 3 Years

APPLICATION

Facade Lightings
 Parking Areas
 Residential Areas
 Shopping Malls

Sport Lightings
 Outdoor Light
 Landscapes
 Back Yards

Shopping Malls
 Land Marks

LED STREET LIGHT

We have good quality range for Solar street lights which are very cost saving. Also have as per MNRE specifications.

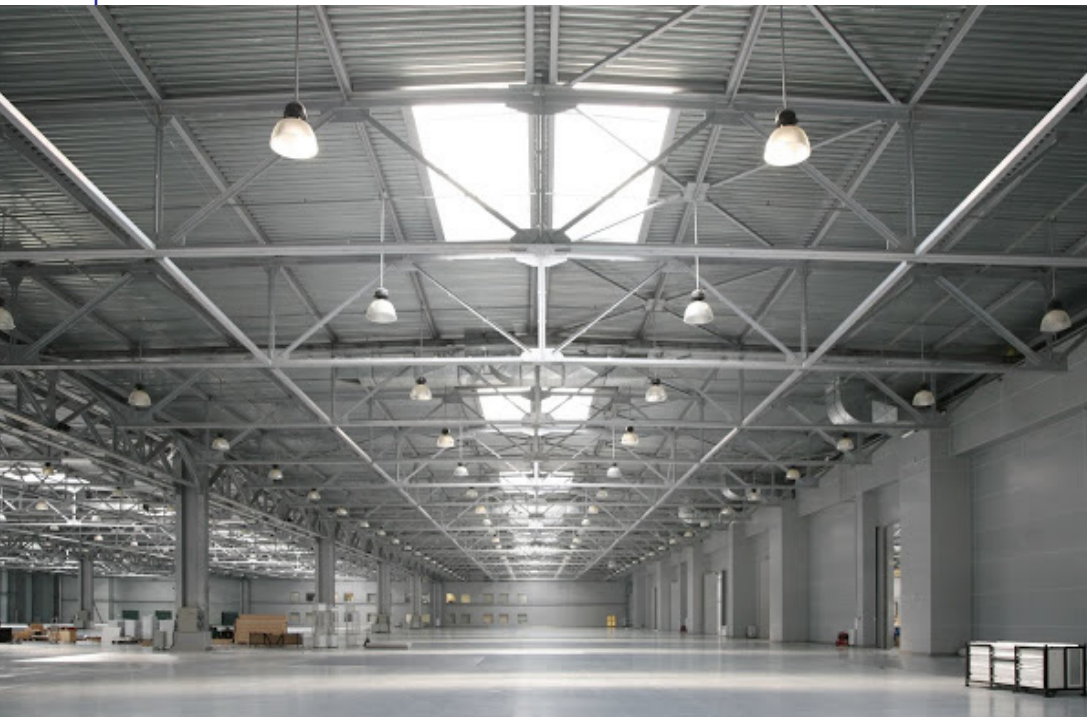

TECHNICAL SPECIFICATION

Model	: LED Street Light
Watts	: 50W,100W,150W, 200W
LED Type	: COB/SMD
Voltage	: AC 100~300V, 50/60Hz
Luminous Flux	: 120 - 140 lm/W
Service Life	: 56000Hrs
Color Temperature	: White/Warm
Power factor	: >0.97
CCT	: 2700-6500K
IP	: IP65/66
CRI	: >80ra
Lumen Maintenance	: 98% Up to 10,000 Hours
Driver	: Isolated/Non Isolated
Beam Angle	: 120°
Surge protection	: 6KVA/20KVA
Working Temperature	: 30~55°C
Storage Temperature	: 45~85°C
LED Chips Brand	: Sanan/Epistar/Bridgelux
LED Driver Brand	: Fleet/Mean Well
Materials	: Die-casting aluminium body + Optical Glass
Origin	: China/Taiwan/USA
Certification	: CE,ROHS, EC

APPLICATION

Used for highway, main road, pavement street, residential road, branch road, rural roads, Square, Parking lots, Gardens, Industrial roads, and indoor high space lighting, factories. etc.

LED HIGH BAY LIGHT

Led high bay light, widely used, plant, warehouse, public places, hall, highway toll stations, exhibition halls, buildings, stadiums, gas stations, showrooms, factories, shops, supermarkets, cold storage, conference centers and other places of lighting required .

TECHNICAL SPECIFICATION

Model	: LED High Bay Light
Watts	: 50W, 100W, 150W, 200W, 300W, 500W
LED Type	: COB/SMD
Voltage	: AC 100 - 300 V, 50/60Hz
Luminous Flux	: 120 - 140 lm/W
Service Life	: 56000Hrs
Color Temperature	: White/Warm
Power factor	: >0.96
CCT	: 3000-6500K
IP	: IP65/54
CRI	: >80ra
Lumen Maintenance	: 98% Up to 10,000 Hour
Driver	: Isolated
Beam Angle	: 120°
Working Temperature	: 30~55°C
Storage Temperature	: 45~85°C
LED Chips Brand	: Sanan/Epistar/Bridgelux
LED Driver Brand	: fleet/Mean Well
Materials	: Die-casting aluminium + Optical Glass
Origin	: China/Taiwan/USA
Certification	: CE,ROHS, EC

FEATURES & APPLICATION

Built -in heat dissipation. High brightness led chip, original imported chip, less light decay. Thick aluminum body strong hardness, not easy to rust, not easy to deform. High quality iron hook, high load bearing capacity, not easy to break, firm. Integrated optical lenticular lens with high light transmittance and uniform light color. Larger illumination area, multi-chip wick layout, uniform illumination, and larger illumination area.

LED SPOT & DOWN LIGHT

LED TRACK, LINEAR & HANGING LIGHT

LED GATE & GARDEN LIGHT

LED UNDER WATER & FOOT LIGHT

LED HIGH MAST LIGHT

LED SOLAR SYSTEM

LED EMERGENCY & EXIT LIGHT

LED STRIP LIGHT & OTHERS LIGHT

LOUVER SHADE & LIGHT FIXTURE

METAL HALIDE & SODIUM

SWITCH, SOCKET & CIRCUIT BRAKER

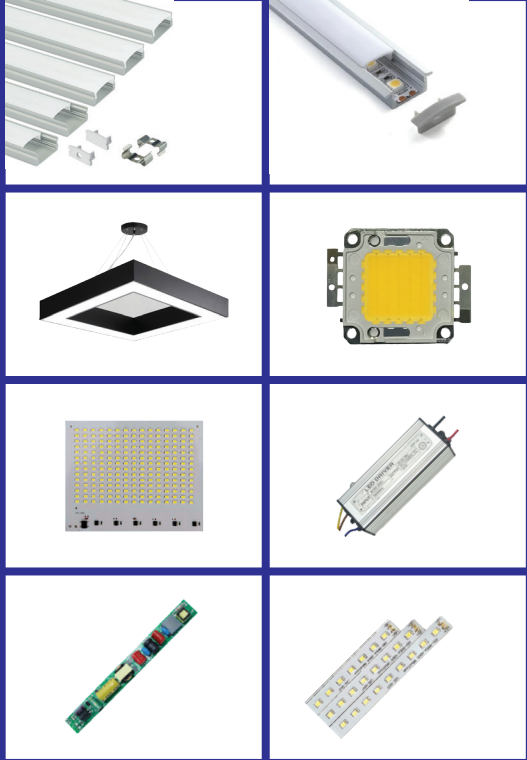

FAN

LED EXPLOSION PROOF & QC LIGHT
